## HON. JOHN A. BINGHAM At Bridgeport, Monday Night

Last Grand Rally of the Campaign!

Hon. John A. Bingham, the gifted and eloquent Union nominee for Congress, will address the People at Bridgeport on Monday evening next, at 7 o'clock.

The People of the East side of the County should make this a Grand Rally!

County Union Ticket.

We ask the People to especially remember our excellent County Ticket on election day. Not a man on it has ever sought office-all of them are eminently capable, and are deserving of the suffrages of their fellow-citizens. Messrs. Carrell, Piper, Cope, and Carter all served faithfully and creditably in the army, and helped to save our country and hand down its blessings unimpaired to our children. If they and others like them had acted like their opponents. we would to day have no country, no nationality, no flag!

When these men took their lives in their When these men took their lives in their and who demanded their immediate and hands and marched out to do battle for their unconditional admission. Most of the oth-country, our people promised them that, if ors elected were equally intense, though they fell in the great struggle, their memories should be a precious heirloom to hand down to coming generations, but if they returned conquerors we would bless them and crown them with the highest honors! Some of them will never return! Many came back bearing proudly aloft the glorious flag under which they had fought and under which so many of their comrades had died, and bringing with them, also, and instilling into us an enlarged nationality and love of country. Four of the worthiest and most capable are before the People of this County, and we owe them our noblest efforts!

The other candidates on the County Tick et are well known, and are men of capacity and integrity. The People of Belmont County never had a more watchful and vigileat men in the Commissioners' office than Mr. Wilkison. The same is true of Mr. Pollock, Union candidate for Infirmary Di rector. Dr. Shurp, candidate for Coroner, is a practicing Physician, and, all must acknowledge, a much more capable man than his opponent.

Let us do ourselves credit by electing every man of them!

Look Out for Hiegal Votes! Our friends should watch the polis close ly, and see that the Opposition get no illegal

votes into the ballet box. Betters have fallen into the hands of Hon. John Hanna, late U. S.
